Dear Mike : I think I should use at least 500 cards. We should be able to get them all over Jersey. Ask Gottlieb will he see that about 100 of them are distributed around Phila. Camden and other local Jersey towns. You should have received a mat of Borican from The Afro by this time. If not I asked Borican to send you a picture from New York. I think he shoud be featured. If the picture of him is big enough, dont use any other picture. Please get these to me as soon as you possibly can. They really should have been out by now.
